(After a pause)

Before we conclude to-day, I want to say one thing that for the purpose of election to the Council of States, the Election Commission has directed that in the list of Members of the Legislative Assembly to be maintained under the Representation of the People Act, 1951, there should be a separate column containing the

names of fathers of the Members of Legislative Assembly or names of the husband in case the Member is a married woman. This information was not known to office and in some of the hon. Members have since supplied the same. Those who have not yet done so, are requested to comply with the same by to-day.

This finishes to-day's business. I thank the hon. Members who have kindly co-operated in to-day's function and I thank them again.

Adjournment

The Assembly was then adjourned till 10 A. M., on Wednesday, the 5th March, 1952.
